(a joint venture between Composites UK and The Fluency Business Group)

International Composites Summit to Offer Informal Industry Networking Dinner

The International Composites Summit (ICS), renowned as the premier platform for cost-effective and sustainable composites business in the UK, is pleased to announce its upcoming informal networking dinner. The event will take place on the evening of day one of the exhibition, Wednesday, September 6, 2023, at the Double Tree Hilton Hotel, located adjacent to the Marshall Arena in Milton Keynes.

The ICS, scheduled for September 6th - 7th, 2023, will bring together influential industry leaders and researchers as well as forward-thinking innovators from across the composites sector. With a focus on knowledge sharing, networking, and showcasing the latest advancements in composite materials on an international scale, ICS is set to be an excellent gathering for professionals seeking to expand their business opportunities.

As an integral part of the summit, the informal networking dinner offers attendees a valuable opportunity to connect with like-minded peers in a relaxed atmosphere. The dinner will commence at 7.45pm and continue until midnight, allowing participants ample time to engage in meaningful conversations and establish fruitful business relationships.

The dinner tickets are priced at £65 + VAT per person and include a delectable three-course meal accompanied by delightful entertainment. To secure a place at this exclusive event, interested individuals are encouraged to book their tickets in advance through the official ICS website at <https://www.internationalcompositessummit.com/?lang=en#/dinner?lang=en>.

Diane Alexander, ICS Event Manager, said: *"We are really pleased to introduce the networking dinner to this year's event. Our industry thrives on the valuable relationships that are built. The dinner will offer a great opportunity to extend those networks in a relaxed and enjoyable environment. I urge everyone to join us for an evening of camaraderie, collaboration, and valuable connections where we can celebrate the great network our industry provides."*

Please note that spaces for the networking dinner are limited, and prompt booking is advised to avoid disappointment.

Dress code for the evening is smart casual, allowing participants to strike the perfect balance between comfort and professionalism.
