

## EXHIBITOR LIST 2024

|  |              |   |           |
|--|--------------|---|-----------|
| <b>Access Composites</b>                     | Pod 20       | <b>JEC Group</b>                                    | Stand A1  |
| <b>Acoustic Camera UK Ltd</b>                | Pod 48       | <b>Karma Composites</b>                             | Pod 21    |
| <b>ADDEV Materials Aerospace UK</b>          | Pod 43       | <b>Kovertek Ltd</b>                                 | Stand T6  |
| <b>Airborne</b>                              | Stand E16    | <b>KS Composites Ltd</b>                            | Stand F14 |
| <b>Airtech Advanced Materials UK</b>         | Stand L15    | <b>Loop Technology</b>                              | Stand L13 |
| <b>Aro PR and Marketing</b>                  | Pod 16       | <b>Matrix Composite Materials</b>                   | Pod 11    |
| <b>ASC Process Systems Limited</b>           | Stand M13    | <b>Menzolit</b>                                     | Stand I13 |
| <b>Assyst Bullmer Ltd</b>                    | Pod 31       | <b>Mirka UK Ltd</b>                                 | Stand B11 |
| <b>Athena Blue Innovations Ltd</b>           | Pod 02       | <b>Most Trade Team</b>                              | Pod 38    |
| <b>Atlas Composite Technologies</b>          | Pod 37       | <b>National Composites Centre</b>                   | Stand J16 |
| <b>Biese</b>                                 | Stand E10    | <b>Norco Composites &amp; GRP</b>                   | Stand M12 |
| <b>Biesterfeld Petroplas</b>                 | Pod 25       | <b>Optrion</b>                                      | Stand V05 |
| <b>Boneham &amp; Turner Ltd</b>              | Pod 46       | <b>Orthotropic Engineering Ltd</b>                  | Pod 19    |
| <b>Brunel Composites Centre</b>              | Pod 26       | <b>Patterns and Moulds</b>                          | Pod 45    |
| <b>British Textile Machinery Association</b> | Pod 14       | <b>Pentaxia</b>                                     | Stand V07 |
| <b>Busch (UK) Ltd</b>                        | Pod 05       | <b>Piran Advanced Composites</b>                    | Stand F15 |
| <b>Carbon Magics</b>                         | Pod 06       | <b>Plasma Bound Ltd</b>                             | Pod 13    |
| <b>Closed Mould Alliance</b>                 | Stand L06    | <b>Preform (Technical) Textiles Ltd</b>             | Stand J15 |
| <b>Composite Braiding</b>                    | Stand C11    | <b>Premier Autoclaves</b>                           | Pod 07    |
| <b>Composite Integration</b>                 | Stand E15    | <b>PRF Composite Materials</b>                      | Stand L03 |
| <b>Composites UK</b>                         | Stand F20    | <b>Project PROGrESS</b>                             | Pod 27    |
| <b>CompoTech</b>                             | Pod 09       | <b>Retrac Group Ltd</b>                             | Pod 32    |
| <b>Cristex Composite Materials Ltd</b>       | Stand J13    | <b>Roaches International</b>                        | Pod 10    |
| <b>Cygnat Textimp Ltd</b>                    | Stand G03    | <b>Scott Bader Company Ltd</b>                      | Pod 01    |
| <b>Decerna</b>                               | Stand B15    | <b>SHD Composite Materials Ltd</b>                  | Stand I12 |
| <b>Emkay Plastics Ltd</b>                    | Stand Pod 15 | <b>SM8RT</b>  | Pod 04    |
| <b>EuCIA</b>                                 | Stand V13    | <b>Sonatest</b>                                     | Pod 44    |
| <b>Expo-Net Danmark A/s</b>                  | Stand C15    | <b>Turkish Composites Manufacturers Association</b> | Pod 28    |
| <b>Fluency</b>                               | Stand J20    | <b>Technical Fibre Products</b>                     | Pod 39    |
| <b>Flux Pumps</b>                            | Stand E11    | <b>Total Machining Solutions</b>                    | Stand I15 |
| <b>GTMA</b>                                  | Pod 34       | <b>Trident Foams Ltd</b>                            | Stand F12 |
| <b>HANKUK Composites UK</b>                  | Pod 33       | <b>TriMech Group/Solid Solutions</b>                | Stand M16 |
| <b>Hive Composites</b>                       | Stand V12    | <b>Ultima Forma</b>                                 | Pod 03    |
| <b>IPS Adhesives Europe</b>                  | Pod 47       | <b>Vac Innovation Ltd</b>                           | Stand F11 |
